## **OPTIONAL POLICY**

Please note this agreement is OPTIONAL!

Signing this document indicates that you are aware of, understand, and agree with the policies below.

-----

I would like my dog to have the additional companionship of another dog in their kennel between the hours 7am and 7pm.  
(This is optional! We will carefully pair your dog with another "friend" to share a kennel with during the day).

You do not have to sign if you do not want your dog sharing a kennel, but please be aware that some dogs enjoy the extra company during downtime.

-----I certify that I have read, signed, and agree to the above policies!-----
